

Baked Potato Dinner ASP Fundraiser

Friday, Aug 21 in the Christian Center

Serving 5:30 - 7:00 pm, takeout available

Come out and join us for a tasty baked potato dinner on Friday evening, August 21 -- or pick up supper to go. All profits from the dinner will go to cover expenses for the mission trip to Appalachia this fall. Dinner includes huge baked potato with all the fixin's, salad, drink and dessert. Only \$8 for adults. Hot dog dinner for kids only \$4.

Eleven folks from Zion will be going to West Virginia in October as part of an Appalachian Service Project (ASP) mission trip. The group includes Hayden Cran, Donna Douglas, James Mills, Sam Moss, Jane Sasser, Larry and Pam Steele, Rickie Smith and Margie and David Koogler. Our goal is to raise \$2,000 to cover the ASP registration fees and travel expenses for the mission trip. The baked potato dinner in June raised \$475 - thank you for your support!! With other contributions, so far we have collected \$841.15 toward the goal. The ASP Store that was so popular last year will return again on a Sunday in Sept - stay tuned for details!
